FIESTA

LET THE GOOD TIMES ROLL

Who says fun can't be functional? With a 120-hp 1.6L Ti-VCT engine and your choice of a 5-speed manual or a PowerShift 6-speed automatic transmission with SelectShift® capability, the 2019 Ford Fiesta is designed to liven up your drive – and your day. Fiesta S Sedan gives you 12.8 cu. ft. of trunk space to go with its 60/40 split-fold-down rear-seat versatility. SE models are available in Sedan or Hatchback, as well as head-turning colors like Lightning Blue, Outrageous Green and Hot Pepper Red. For a satisfying blend of style and technology, upgrade to the SE Appearance Package, which adds SYNC® 3 with a 6.5" color LCD capacitive touchscreen, SiriusXM®, unique Sport cloth seats with contrast stitching, 16" 8-spoke Sparkle Silver-painted aluminum wheels, fog lamps with chrome bezels, a rear decklid spoiler on Sedans, a 12V rear powerpoint and ambient lighting.

With nimble and responsive handling, Fiesta S and SE inspire fun at every turn. As *U.S. News & World Report* said, "Ford Fiesta combines value and performance, making it a great choice."²

With its Shadow Black-painted roof, high-mounted rear spoiler, and sideview mirror caps, the new ST-Line really stands out in Hot Pepper Red, Oxford White or Outrageous Green. Or, choose Shadow Black exterior paint for an even more sinister monochromatic appearance. 16" 10-spoke Ebony Black-painted aluminum wheels and dual chrome exhaust tips complete the look.

Inside, Black-painted instrument panel trim and center stack are joined by aluminum sport pedal covers and front sport seats in cloth with Red accent stitching and ST-Line logo. A leather-wrapped steering wheel and shift knob also have Red accents. While front door-sill scuff plates proudly display the ST-Line logo.

Ambient lighting and Ice Blue® instrument cluster lighting provide an inspiring glow.

FIESTA

STIMULATING BOLD MOVES

Why blend in when you can stand out? With a bold exterior design and eye-catching interior accents, the new 2019 Fiesta ST-Line is inspired by performance and styled by sport. ST-Line delivers serious visual swagger, with practicality as well. In addition to a standard 5-speed manual transmission, ST-Line offers a PowerShift 6-speed automatic transmission with SelectShift® capability! No matter which you choose, you'll get plenty of notice.

TAKE IT **TO THE STREETS**

For a best-in-class¹ 197 horsepower² and 202 lb.-ft. of torque,² step up to Fiesta ST with its turbocharged, high-output 1.6L EcoBoost[®] engine and 6-speed manual transmission. The engine also has an “overboost” feature that can extend peak torque for up to 16 seconds.

A unique sport suspension with European-inspired tuning, and 17" summer-compound performance tires,³ puts all that power to good use. Add the premium Ebony Black-painted aluminum wheels with Red-painted brake calipers⁴ for even more attitude.

As you throw the leather-wrapped shift knob through its paces, the supportive bolsters of RECARO[®] partial leather-trimmed, heated front seats⁴ grip you firmly. From this exhilarating vantage point, you'll enjoy the sonic boom of the Audio System from Sony.[®] Behind the leather-wrapped steering wheel of Fiesta ST, the rush is always on.

BIG ON VERSATILITY

Enjoy easy access to the rear cargo area in Fiesta Hatchback. With both sides of the 60/40 split rear seat folded down, you'll find 25.4 cu. ft. of cargo space to fill when you open the hatch. With the seat up, you still have 14.9 cu. ft.¹ of space at your disposal. Traveling with people and gear? Fold one side of the rear seat down for longer items and leave one side up for a passenger. Sedan models combine 12.8 cu. ft. of trunk space with the same 60/40 split rear seat for versatility on demand.

STAY CONNECTED ON THE MOVE

IT ALL STARTS HERE

This vibrant 6.5" touchscreen is the command center of SYNC® 3 voice-activated technology,^{1,2} which integrates your paired mobile phone with Ford Fiesta as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn't miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS

SYNC 3 AppLink^{®3} links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone[®] users can view the Waze[™] app's community-based navigation and traffic features on the SYNC 3 touchscreen.
